## *Never Without My Helmet To Raise Awareness for Teenagers at Wearing the Helmet!*

Please send us, by March 20, 2022, this fully completed application file, accompanied by your scenario.

Your storyline should be for a video of up to 3 minutes and can take the form you want, whether it's a music video without any dialogue, a discussion, a single person addressing the camera, a group, etc. Let your imagination speak for itself!

You can also attach a demo video essay to your application to present your script, but it's not mandatory.

If you want to play a role in your own video, you can specify it in the **Your Script** section of this form.

The grand prize will allow you to enjoy a stay in a hotel in Victoriaville, to be on site to shoot the videos with a professional film crew and to enjoy a variety of fun activities organized by Interline.
